**Whether it's 'surf'n' turf', modern Australian or Chinese, premium Casino beef or a light salad, Casino delivers the flavours to your tastebuds.**

In country Australia, people aren't shy of a hearty meal and you will find delicious choices when you visit Casino. Known as the Beef Capital you won't go wrong choosing beef from any menu in town. The close proximity to the coast also means that seafood dishes are generally as fresh as that day's catch.

Many of the local pubs, while having counter meals, also offer restaurant facilities with creative chefs catering to the needs of guests for lunch or dinner. Let your tastebuds enjoy the flavours of a great affordable meal while you enjoy the friendly atmosphere and local flavour.

**Bon appétit!**
